

*Differences  
between  
EG-SR-7150MJ &  
EG-SR-7100A*

*EG-SR-7150MJ includes all features of EG-SR-7100A  
and Serial CMD Configuration additionally.*

- Serial CMD Configuration makes operator setup the serial device with serial command at the site without PC.
- The price difference is around \$1 for Magjack.
