

WIZCHIP I/O functions

```
graph LR; A[Common register access functions] --> B[WIZCHIP I/O functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'WIZCHIP I/O functions'. The box on the right is light gray with a black border and contains the text 'Common register access functions' on two lines. A dark blue arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship between the two.
